LOCAL AND GENERAL

Back to the Old Days—The hospital staff at the Oregon Hospital for the Insane, at Astoria, has been busy for several days with the removal of the old building and the erection of a new one. The new building is a modern structure, with all the latest improvements, and is now being occupied by the patients. The old building, which was built in 1880, is now being used as a warehouse for the hospital's supplies.

Local News—The Oregonian has received a copy of the new book, "The Oregonian's History," which is a comprehensive history of the newspaper from its first issue in 1858 to the present. The book is written by the late editor, Mr. J. W. Smith, and is a valuable addition to the collection of any one interested in the history of the newspaper.
